

Friends of Ashby Bath Grounds - Petition

The undersigned oppose all development on the Ashby de la Zouch Bath Grounds, except where it enhances recreational or sporting use. We call on:

- a) Oakland Hotels (the owners of the Bath Grounds) to make a public statement that it does not intend to use any part of the Bath Grounds to build houses or for any other non-recreational or sporting use;
- b) The District Council to refuse any planning application that would reduce the recreational and sporting use of the Bath Grounds, in particular any proposal to build houses on the Bath Grounds;
- c) The Town Council to not surrender its lease for the Bath Grounds in order to allow a non-recreational or sporting use of the Bath Grounds, whatever the incentives offered by Oakland Hotels or other developers.
